

Village of New Concord

Police Chief Recruitment Brochure

The Village of New Concord, Ohio is seeking applications for the position of Police Chief. The successful candidate will be community-focused and committed to working in partnership with community members and leaders; have leadership, management and interpersonal skills; have impeccable integrity, ethics and professionalism; demonstrate abilities in personnel management, budget preparation and resource management. The ideal candidate will uphold the mission and vision of the Village of New Concord and set an example for the members of the police department.

The Village is a full service local government that serves approximately 2,500 residents, along with many small to mid-sized businesses, Penda-form, Cerner, NFI Warehousing, the Garland Hotel, East Muskingum School District and Muskingum University. Additionally, as New Concord is located along US 40 and is the boyhood home of former Astronaut and Senator John Glenn, the Village receives many visitors and tourists throughout the year.

New Concord is a small town that values its historical roots, easy going lifestyle, family friendly atmosphere and safe environment. Village leadership expect the police chief to ensure that members of the department remain responsive to the needs of all citizens and seek solutions to problems through the fostering of cooperation, positive contact with the public, and proactive methods. They expect that members of the police department will continually strive to achieve their highest potential as confident, competent, and caring partners with the community as they come together in the fight against criminal activity.

Salary and Benefits: Salary for this position is dependent upon qualifications and experience. The Police Chief, as a full-time employee, shall be provided health insurance, life insurance, personal time, vacation and other routine benefits consistent with the village wide personnel manual.
